Studies this month

We will be talking all things Valentine through Valentine's Day. We will be doing some partnership activities. These activities may require us to work with a classmate that we wouldn't normally work with in the hopes of creating new friendships. We will talk about how to be a good friend and what that looks like. We will be reading the book, "Have You Filled a Bucket Today?". This is a great book that encourages positive behavior as children see how easy and rewarding it is to express kindness, appreciation, and love on a daily basis. We will also read several of it's companion books. We will be filling a classroom "bucket with clear gems" whenever we do something kind for one of our friends (like giving a friend a compliment), the child will get to put a gem in their class bucket. When our bucket is full, the class will get something special that we will have voted for like a movie/popcorn party or a pizza party, etc... I will have a few options for them to choose from and vote on. After we finish with Valentine's, we will talk about Community Helpers.

Elementary Literacy Night

The elementary is hosting it's second annual "Elementary Literacy Night" on Thursday, February 22nd, beginning at 5:30 pm. This is open to all the students and families, Preschool through sixth grade. Author, Julia Cook, will give a talk in the gym. There will also be a few activities available for the children to do. More information will be coming home soon.

Parent/Teacher Conferences

We are required by the state to meet for conferences twice a year. We will have our second conference the week of Feb. 26 - March 1st. Please let me know as soon as possible if a certain night or time doesn't work. Also, if you can meet during the day on Wednesday, February 28th.

Valentine's Day

The Tues/Fri. class will celebrate Valentine's Day on Wednesday, February 14th. The Mon./Thurs. class will celebrate on February 15th. The kids do not need a box. We will be decorating bags here at school. Class lists are attached.
