purpose

Purpose of the Foundation

“The purpose of the Foundation is to maintain, develop, and extend the facilities, services, resources, and educational opportunities of the South O’Brien Community School District. The Foundation seeks to broaden the financial support, promote interest, and create goodwill among the students, faculty, parents, alumni, and friends of the school district.”

Available Assistance

For more information on how you can improve educational opportunities for students of the South O’Brien Community School District, please contact the Superintendent’s Office, South O’Brien Community School, PO Box 638, Paullina, IA 51046 or by phone at 712-949-2115.

challenges

Meeting Tomorrow’s Challenges

The South O’Brien Community School District Foundation has been formed to assist our school district in maintaining and enhancing its reputation for excellence. We wish to foster current educational opportunities to better equip our students for the future.

Your donation will help support these goals. The Foundation will administer your gift according to your wishes.

Contributions made through the foundation are tax-deductible.
